

my radio station air 1 on channel 90.1 fm is my primary station I love the music on there and that it is suitable for my whole family. I support this station to keep it on the air because I love it so. I believe that it is valuable to the community because it offers people a new choice in music without all the hate, sexual comments, and violence. I feel as a member of the station that if there are people willing to support it financially that we have a right to be a station. thank you for your time and I hope you will see how valuable it is to the public.
